01B20 NET CONTENTS GALLON(S)

This product is more than just a glass and mirror cleaner; it cleans and polishes automotive chrome trim, windshields and windows. It cleans and brightens enameled surfaces such as appliances and office furniture. Removes film from porcelain, Formica, and is safe on most painted or lacquered surfaces. No streaking or spotting when properly applied.

DIRECTIONS:

Product may be applied using a hand-held trigger sprayer or with a clean cloth. Use sparingly. Cover the surface well and wipe off without letting product dry on surface. Polish surface to remove all traces of dirt and solid. Surface will be clean, bright and protected. This product does not contain harsh ammonia. Pleasantly scented and easy to use.

CAUTION: Do not take internally. If ingested, contact physician immediately. If eye or skin contact occurs, flush area with water for 15 minutes. Seek medical attention if irritation persists. Keep container sealed when not in use to prevent evaporation loss. Rinse empty container before discarding in an authorized landfill site.
