05B09 NET CONTENTS GALLON(S)

This ready to use glycol based air deodorant is not just an air freshener, but a complex formula designed to neutralize offensive odors and replace them with a pleasant, clean fragrance. This product will dispel unpleasant odors from many sources and provide a light, natural; yet never overpowering scent.

SUGGESTED AREAS FOR USE:

Closets, cupboards, laundry hampers, meeting rooms, locker rooms, schools, offices, air ducts & filters, linen storage areas, health clubs, gyms, hotel & motel rooms, lobbies, garbage cans & refuse areas, automobiles & buses.

PRODUCT WILL EFFECTIVELY DEODORIZE: Cooking odors, mold & mildew odors, rancid matter, nurseries and child care facilities, smoke, stale & stagnant areas, decaying food, perspiration, pet odors and bathroom odors.

DIRECTIONS FOR USE:

UNDILUTED: Product may be applied using a hand-held trigger sprayer, with a pump up type sprayer, or with a cold-mist fogger. Direct spray upward toward the ceiling of the room or directly onto source of odor.

DILUTED: Use 1-4 oz per gallon of water for use in soap water or carpet steam cleaner to leave that fresh "I've been cleaned smell."

CAUTION:

Keep out of reach of children. Do not take internally. If ingested, drink large amounts of water, induce vomiting, and follow with more water. Consult physician. For eye or skin contact, flush area with water for 15 min. Keep container sealed when not in use. Rinse empty container and dispose of in authorized landfill site. Do not contaminate food or utensils. Do not use or store near heat or open flame.
