05B11 NET CONTENTS GALLON(S)

Industrial Deodorant II is a complex formula designed to neutralize offensive odors and replace them with a pleasant, clean fragrance. This product will dispel unpleasant odors from many sources and provide a light, natural; yet never overpowering scent.

SUGGESTED AREAS FOR USE: Closets, cupboards, laundry hampers, meeting rooms, locker rooms, schools, offices, air ducts & filters, linen storage areas, health clubs, gyms, hotel & motel rooms, lobbies, garbage cans & refuse areas, automobiles & buses and RV holding tanks.

PRODUCT WILL EFFECTIVELY DEODERIZE: Cooking odors, mold & mildew odors, rancid matter, nurseries and child care facilities, smoke, stale & stagnant areas, decaying food, perspiration, pet odors, bathroom odors, bathroom odors, portable toilets, buses, and RV holding tanks.

DIRECTIONS FOR USE:

UNDILUTED: Product may be applied using a hand-held trigger sprayer, with a pump-up type sprayer, or with a cold-mist fogger. Direct spray mist upward toward the ceiling of the room or directly onto source of odor.

DILUTED: Use 1-4oz per gallon of water for use in soap water or carpet steam cleaner to leave that fresh "I've been cleaned smell."

CAUTION: Keep out of reach of children. Do not take internally. If ingested, drink large amounts of water, induce vomiting, and follow with more water. Consult physician. For eye or skin contact, flush area with water for 15 min. Keep container sealed when not in use. Rinse empty container and dispose of in authorized landfill site. Do not contaminate food or utensils. Do not use or store near heat or open flame.
