- *Degreases
- *Environmentally Friendly

CAUTION: Keep out of reach of children. Do not store near heat, spark or open flame.

05B18 NET CONTENTS GALLON(S)

A new concept in formulation that keeps pace with today's safety and Environmental regulations. This multi-purpose concentrate instantly dissolves grease, oils and fats without the use of harsh acids, alkalies, phosphates or petroleum solvents. Ideal issues for this product include degreasing concrete floors, equipment, trucks, motors and metal surfaces. This product will remove most resins, adhesives, printing inks, decals, rubber tire marks, tar, asphalt, and most soils that are removed by conventional solvent based degreasers. This organic solvent is an effective drain cleaner, deodorizer, and maintainer. Areas for use include sewer plants, garbage trucks, dumpsters, industrial plants, restaurants, hospitals, schools, bathrooms and other areas.

DIRECTIONS:

General Degreasing: Spray on and blow dry, spray on and wipe off, wipe on with rag or brush, or use as immersion cleaner and air dry parts. Product may be power washed off. Contains no hazardous compounds as defined by OSHA Regulations (29CFR sections 1910.1200).

CAUTION: This product is combustible. DO not take internally. Prolonged eye contact will cause serious eye damage. Rinse well with water if eye contact occurs. Seek medical attention. Keep container closed when not in use.
