

DILEMMA SOLVE

A powerful blend of safe organic solvents especially designed to quickly remove and flush away grease, tar, oil & grime from all types of surfaces. This product contains no chlorinated or fluorinated solvents making it an ideal product to use in an environmentally conscious situation or where highly toxic products are not suitable.

DIRECTIONS FOR USE:

Spray over the surface to be cleaned until completely saturated. Allow time for solvent to penetrate. Wipe or rinse with a second spray. On heavily encrusted areas, use a brush. When cleaning electrical equipment, make sure equipment is off. This product may harm some plastics and painted surfaces. Test product in an inconspicuous area before using.

DANGER: Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation. May be fatal if swallowed and enters airways. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.

CONTAINS (CAS#): Isoparaffinic Hydrocarbon (64742-47-8), 1,8-p-Menthadiene (5986-27-5), Propane (74-98-6), Carbon Dioxide (124-38-9).
