BARE ALL PAINT REMOVER

Gel formulation paint remover quickly removes paint, epoxy paint, lacquer, shellac, enamel, varnish, labels, carbon deposits, silicone, simulated wood paneling and similar materials. Product will not run. This formula has been authorized by the USDA for use in federally inspected meat and poultry plants.

For use by auto dealers, paint shops, maintenance departments, engine rebuilders, factories, furniture refinishers, painters, sign builders, schools, motels, hotels, hospitals and offices. For use on metal parts, plaster, concrete, tile, glass, ceramic, engine parts, valve seals, paint guns, paper, wood, stone, masonry and cylinders.

DIRECTIONS

Shake well before using. Holding can eight to ten inches from surface to be treated, apply a medium to heavy coat on surface as needed. A thicker application will speed up action. Blistering will occur in three or four minutes, but may take up to twenty minutes, depending on material being treated. Allow product to complete blistering before removing.

CAUTION: Contains methylene chloride, which has been shown to cause cancer in certain laboratory animals. Risk to health depends on level and duration of exposure.

CAUTION: Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Exposure to temperatures above 120°F may cause bursting. Use this product outdoors, if possible, if you must use it indoors, open all windows and doors or use other means to ensure fresh air movement during use. Avoid prolonged breathing of vapor or contact with skin or eyes. **Inhalation:** Remove to fresh air. If not breathing administer CPR and seek immediate medical attention. **Ingestion:** Give large quantities of water. Do not induce vomiting without consulting doctor or poison control. Seek medical attention immediately. **Eyes:** Flush eyes with water for 15 min. Seek medical attention. **Skin:** Wash with soap and water.

CONTAINS (CAS#): Methylene Chloride (75-09-2), Propane/n-Butane (68476-86-8), Methanol (67-56-1), Methylcellulose (9004-65-3), Petroleum Wax (64742-43-4).
