

ALKALINE COIL CLEANER

- *Self-Rinsing
- * Non-Flammable
- *Non-Corrosive

CAUTION: Keep out of reach of children. Do not take internally. Rinse container before discarding.

37B74 NET CONTENTS GALLON(S)

A colloidal synergized detergent designed for extra heavy duty cleaning, yet contains self rinsing qualities. This coil cleaner has very high soil suspending action which allows dirt to rinse off whether its flushed off or falls off with condensate moisture. This coil cleaner is non-flammable, non-corrosive, non-oily and effective in water up to 500 parts per million. It's very effective on grease and oily type dirt, yet retains its free rinsing qualities. It is non-corrosive to most metals and will not harm painted surfaces.

DIRECTIONS:

FOR HEAVY DUTY CLEANING: Spray on straight or diluted. Scrub and brush off or allow condensate water to rinse off.

FOR MEDIUM DUTY CLEANING: Dilute 1 to 30 with water. Use as above

FOR LIGHT DUTY CLEANING: Dilute 1 to 60 with water

CAUTION: Product may etch aluminum and glass. Contains Butoxyethanol and strong alkaline materials. Use only in well ventilated areas. Avoid contact with skin and eyes. If contact occurs, flush with water for 15 minutes, seek prompt medical attention. Do not ingest. If swallowed give one to two glasses of water followed by fruit juice. Call physician immediately.
