- No Harsh Fumes or Odors
- Highly Concentrated
- 100% Water Soluble
- Non-Flammable

**CAUTION:** Keep out of reach of children. Do not take internally.

70B31            NET CONTENTS            GALLON(S)

The impact of high pressure, the heat of steam, and the chemical power of this highly concentrated steam cleaning liquid makes steam cleaning easier, faster, safer and considerably more economical. This product consists of powerful detergents, wetting agents, penetrants, emulsifiers, rinse additives and chelating agents. When used according to equipment manufacturers instructions and product label instructions, this product can penetrate deeply into cracks, corners, and crevices to dissolve and remove grease, oil, dirt, grime, smoke, soot and other severe forms of soil from most washable surfaces. NOTE: It is not recommended for cleaning aluminum or its alloys.

### DIRECTIONS:

Heavy Duty Cleaning: Use 1 gallon to 30 gallons of water.

Light Duty Cleaning: Use 1 gallon to 60 gallons of water.

Adjust at nozzle for best results, or follow manufacturer's instructions that come with the machine. Keep from freezing. Product may separate if frozen. Before using, simply bring product to room temperature and agitate well.

**CAUTION:** Contains alkalies. Avoid prolonged contact with skin. If splashed in eyes, flush with water. Contact physician immediately. Protective goggles should be worn when operating steam cleaning machines. If ingested, do not induce vomiting, but flush system with water, fruit juice, vinegar or any mild eatable acid.
