Gives that brand new look to tires, floor and trunk mats, weather stripping, batteries and rubber accessories of all kinds. Brings out the original color and life.

Clear, colorless liquid intensifies all colors on all types of natural and synthetic rubber.

### **DIRECTIONS:**

100% safe and harmless to all types of rubber. Contains no silicone, gasoline, mineral spirits or other solvents which would damage rubber. Clear liquid eliminates danger of spotting upholstery, chrome or wheels and any excess can easily be washed or wiped off. Non-flammable and non-toxic. Removes & prevents squeaks on rubber bushing, shock absorber and stabilizer linkage, shackles, grommets, insulating strips or pads and other rubber mountings or fittings.

Adds dollar value to used cars by cleaning and beautifying tires, floor and trunk mats and weather stripping. Also ideal for leather and plastic upholstery.

### **EASY TO USE:**

Simply spray, brush or wipe on a clean rubber surface and allow to dry.
