SPECIAL CAR & TRUCK is especially recommended for spray washing engines and frames of trucks, trailers, buses, airplanes, automobiles, motor blocks, boats and many other difficult articles and surfaces.

SPECIAL CAR & TRUCK quickly and safely removes diesel smoke and smudge from tractor cabs and trailers. Cleans grease and grime from motor blocks. SPECIAL CAR & TRUCK is recommended for heavy duty spray cleaning.

DIRECTIONS FOR USE: To make concentrated solution tank, mix:

2 lb to 5 gallons water
22 lb to 55 gallons water
40 lb to 100 gallons water

Use 2-3 oz of concentrate to one gallon of water at the pressure nozzle. The amount of solution will vary depending upon the nature and the amount of soil to be removed. For heavy degreasing work; add 1 pound SPECIAL CAR & TRUCK to each 5 gallon concentrated solution.

CAUTION:

Avoid contact with eyes and prolonged contact with skin. In case of eye contact, flush freely with water. If swallowed, give water, call physician. Keep out of reach of children.
