HURRICANE is especially recommended for spray washing such items as: trucks, trailers, buses, airplanes, automobiles, motor blocks, fiberglass filters, boats and many other difficult articles.

HURRICANE is also an excellent concrete and non sealed wood surface cleaner. It can be used for driveways, warehouses and parking areas.

HURRICANE quickly and safely removes diesel smoke and smudge from tractor cabs and trailers. Cleans grease and grime from motor blocks. While HURRICANE is recommended for heavy duty spray cleaning, it is safe and effective for automobile spray washing!

**DIRECTIONS FOR USE:** To make concentrated solution tank, mix:

2lbs to 5 gallons of water

22lbs to 55 gallons of water

40lbs to 100 gallons of water

Use 2-3 oz of concentrate to one gallon of water at the pressure nozzle.

The amount of solution will vary depending upon the nature and the amount of soil to be removed. For heavy degreasing work: add 1 pound

**HURRICANE to each 5 gallon concentrated solution.**
